IN REPLY PLEASE QUOTE—

No. W/489-I. Dated 25/7 July 1932.

The Secretary,
Railway Board,
Simla.

Sir,

Relinquishment of Survey No.198 of Veni Veerapuram village, Bellary Taluk.

I have the honour to forward herewith a copy of letter No.Rev.G.2572/32-A.1., of the 7th May, 1932, from the Collector of Bellary, regarding the relinquishment of Railway land in Survey No.198 of Veni Veerapuram village, Bellary taluk, free of cost, for assignment to the Picharis belonging to the depressed class.

The land in question is not required for Railway purposes. The gang shed standing on the land is in a very dilapidated condition and the value of the materials released on dismantlement of the gang shed will be less than the cost of dismantlement.

The land in question was originally acquired by this Railway at the time of the construction of the Metre Gauge main line from Hospet to Bellary, i.e., about the year 1884 and as the acquisition records for the same are not now available it is difficult to say what is the amount of the market value of the land debited to the Capital Account of this Railway.

As the present value of the land is practically nil and as no credit is anticipated by the dismantlement of the gang shed, it is proposed to relinquish the land and the shed at a nominal value of Re.1/-.

In this connection reference is invited to your No.611-II, of the 12th November 1930, in which payment of a nominal price

for land by the party has been suggested.

I shall, therefore, be glad if you will kindly communicate the Railway Board's approval to the relinquishment of the land under reference at a nominal value of Re.1/

On receipt of the Railway Board's approval, the relinquishment plan for the land in question will be submitted to the Revenue Authorities for favour of necessary action.

I have the honour to be,

Sir,

Your most obedient servant

Railways - land - Bellary taluk - Veni Veerapuram village S.No.198 - relinquishment - assignment to Depressed class men.

S.No.198 measuring Ac.2-11 of Veni Veerapuram village in Bellary Taluk is registered in the Revenue Accounts as Railway Gang-shed poramboke. There are some ruined sheds on the land. The Chief Engineer, M.& S.M.Railway, in his letter L.1168-74-4-43 dated 30-10-31 has stated that the land is not required for railway purposes and that there is no objection to its assignment after it has been relinquished by the Railway Administration. The relinquishment plan sent by the Chief Engineer has been sent duly signed to the District Engineer, Guntakal.

2. The land is practically of no value. I propose to assign it free to Pitcharis, who belong to the depressed class. I presume you have no objection and will not claim credit for such trifling value as might be given to this land.

Copy to the Chief Engineer, M.& S.M.Railway, Madras.
